

Hi! Nice to meet you! My name is Ilary I am fourteen and a student in Catalfamo school.

My favorite course is Art .History is my hardest course.

My professors are very friendly and smart. This is my last year in this school. Next year I will attend the Quasimodo high school where I will study sports.

I live in Messina , a small town in Sicily I love my town for the sea and the sun, even if it is a dirty city.

This year, for the first time in my life I have lived in quarantine because of the corona virus.

It has been a strange experience which has made me understand the value of true friends.

Thank God during this period I have been with my family .

My mother works a lot and sometimes I help her with her work. In this period at home I have learned to cook and I liked it a lot. My speciality is chocolate cake.

Now I am looking forward to this summer. I hope we will be able to go out and go to the beach.
